Proposed Meeting Goals and Objectives:
- Build the knowledge base of the middle neighborhood Community of Practice.
- Strengthen the middle neighborhoods movement.
- Develop citywide coalitions for middle neighborhood stabilization.
- Demonstrate how middle neighborhoods stabilization reinforces inclusive development and racial equity goals, in Cleveland and nationally.
- Increase capacity of Cleveland civic community to address middle neighborhoods.

Desired Meeting Outcomes:
- Racial equity framework to guide middle neighborhoods stabilization efforts.
- Updated goals from those established in the Middle Neighborhoods Action Agenda, with indicators for measuring progress on goals.
- Pathways to broaden and mobilize the middle neighborhoods movement, including roadmap of year ahead for the Community of Practice.
- Secured commitment of Cleveland and Northeast Ohio partners to advance a middle neighborhood agenda aligned with the region’s inclusive growth priorities.
- Core communication messages about middle neighborhoods.

As a reminder, the goals from the Middle Neighborhoods Action Agenda are as follows:
- Help practitioners, policymakers, and advocates active in the fields of city governance, city planning and community development understand that improving neighborhoods is a distinct area of practice, research, and investment.
- Build public awareness and understanding, including bipartisan support, around the important role middle neighborhoods play in stabilizing communities and the urban economy.
- Create long-term initiatives and partnerships to advance the field of middle neighborhood improvement.

Middle Neighborhoods Working Group Meeting  
November 13-14, 2018

- What are strategies to partner with lower-income neighborhoods to achieve better outcomes for all? What are ways to address the competition for resources with distressed neighborhoods?

- What does racial equity mean in the middle neighborhood context? How can middle neighborhood stabilization address racial disparities in homeownership and wealth building?

- How can middle neighborhood strategies prevent moderate income homeowners from losing their hard-won home equity?

10:05 – 11:00am  
Round I: Concurrent Breakout Sessions

1) Developing key elements of a racial equity framework for middle neighborhood stabilization. Strategies to highlight include adopting a statement of inclusion and community wealth building efforts. With Kendra Freeman, Metropolitan Planning Council, and others.

2) Advocating for a national policy to address the appraisal gap. Learn about the Neighborhood Homes Investment Act, a policy proposal to create a reliable source of equity in neighborhoods where the cost of purchasing and renovation a home exceeds the market value. With Carey Consuelo Shea, Neighborhood Homes Investment Coalition.

3) Lessons from Baltimore’s Healthy Neighborhoods Inc Program. Now in its 18th year, Healthy Neighborhoods Inc. (HNI) has made upwards of $70 million available for community reinvestment, primarily through a loan pool. Learn how philanthropic, private, and community leaders are partnering to stabilize Baltimore’s middle neighborhoods. With Mark Sissman, President of HNI, and Johnette Richardson, Belair-Edison Neighborhoods Inc.

4) Open Session: Option to self-organize a session with colleagues to discuss a topic of mutual interest, brainstorm, and/or network.
